LogiSYM

The Magazine for Supply Chain Executives

www.LogiSYM.Org

INTRODUCTION

We are delighted to welcome you to the Magazine for Supply Chain Executives, an industry journal that brings you the latest developments in logistics and supply chain management in Asia and beyond.

LogiSYM magazine and our series of annual events provide a forum for thought leaders in Supply Chain. With over 65,000 opt-in subscribers, we offer unprecedented reach to our commercial partners. Our global readership encompass shippers, forwarders, 3PLs, ports, airports, airlines, and road and rail freight executives and spans the major industry verticals.

LogiSYM is published monthly in digital format and quarterly in print and features news updates, industry analysis and one-on-one interviews with leaders in the supply chain industry. We also produce knowledge and solution-based case studies and examine the logistics trends that are shaping the world we live in.

Our mission is to bring a new dimension of supply chain knowledge to our readers, differentiating us from all existing publications by supplying cutting edge industry information that facilitates the business success of logistics executives.

As the official journal of The Logistics and Supply Chain Management Society, LogiSYM is the only magazine that has been created purely to serve its readers.

This Magazine is part of the renowned LogiSYM brand, a proven industry player in the field of Education & Training as well as an organizer of Supply Chain Conferences across Asia.

In an industry of constant change and innovation, we provide the knowledge that enables our readers and Society Members to stay ahead of the information curve.

And nobody knows its readers better than LogiSYM. Our home is the Asia Pacific region, but our subscribers cover the whole range of supply chain providers and buyers worldwide. Whatever your marketing or advertising requirements, LogiSYM can facilitate your business success.

Joe Lombardo

International Editor, LogiSYM Magazine

EDITORIAL SUMMARY

LogiSYM Magazine contains a comprehensive combination of regular feature columns, opinion editorials and feature sections encompassing the business issues and technology developments relevant to today's logistics professionals.

MATERIAL GUIDELINES

PRINT

Digital files formats such as Illustrator AI/EPS, InDesign and Photoshop are accepted. All images should be saved in CMYK format, 300 dpi resolution at actual print ad size, all link files and fonts must be included. Artwork created in InDesign, for color management in print option should use Printer Profile as "CMYK" only.

ACROBAT PDF FILES

High resolution PDF must be supplied in actual print ad size with bleed allowance and trim marks. All images and fonts embedded.

PROOFS

2 final color proofs are required for all ads.

BLEED RECOMMENDATION

Leave 5mm safe area all around. Headlines that cross a spread must be split between words or allow 5mm in gutter.

ADVERTISEMENT ACCEPTANCE

The Publisher reserves the right to decline any advertisement or insert. In the event that any advertisement resembles an editorial, the word 'Advertisement' will be added at the top of the advertisement. The Publisher will not be liable for any consequential loss or damage occasioned by the failure of any advertisement to appear, for any reason. Neither does the Publisher accept liability for errors in any advertisement published. Nor does the Publisher accept liability for the failure of an advertisement to appear on a specific date.
